Message from the CEO

Greetings from San Antonio,

Good day. I have spoken about growth and prosperity for World Technical Services, Inc. nearly every month for the past year in my newsletter comments. Eventually all the growth has to be analyzed and an assessment of our services must take place. I asked myself are we better at what we do best this year than we were last year and honestly I wasn't sure. World Technical Services is going to take the coming months and focus on what we do best which is employ the significantly disabled and high quality custodial services. I am looking for ideas from everyone on how we can make World Technical Services a better place for our employees and customers. Remember that "Every idea is a good idea until we find the best idea. And, the best idea does not have to be my idea." So send your ideas in your pass up of information to the office. No idea is too small or large. I thank you in advance for your participation in making World Technical Services a better place to work.

Best Regards,

Alan E. Warrick II

Contract Highlights: Pleasanton Road HHSC

We would like to recognize the Pleasanton Road HHSC Janitorial contract this month. When we took over the contract in December the building was in pretty bad shape and since then the customers have mentioned the improved appearance. With the a new building opening within the contract we are sure it will be one of our stellar contracts in no time. Keep up the good work!

Free ride denied to disabled vets in North Texas

by JONATHAN BETZ / WFAA-TV Posted on February 10, 2010 at 12:10 AM

WYLIE — As a disabled veteran, Jeff Gudgeon feels he has paid enough. He says spending money on highway tolls is a cost he shouldn't have to pay.

"It kind of gets to you," Gudgeon said.

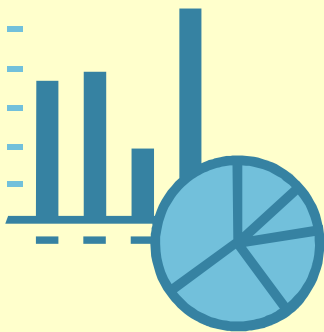

Thousands of disabled veterans in Texas get to drive toll roads for free — but not in North Texas.

In September, the Texas Legislature passed a law giving toll road operators the choice to waive fees to disabled vets.

Three months later, Houston's major toll road operator, Harris County Toll Road Authority, adopted the idea.

Any driver with a specialty license plate showing they're a disabled veteran, Purple Heart or Congressional Medal of Honor recipient will not be charged on its 119 miles of highway.

The North Texas Tollway Authority hasn't yet embraced the idea....

Outstanding Employee(s) of the Month

We would like to recognize the Stripping and Waxing crew of Elida Vallejo, David Maldonado, Jennifer Ybarra and Rudy Vallejo. They have worked on numerous contracts and have repeatedly received praise for their great work. Thank you for your hard work!
